Liber 3: De periculosis Caput 36: De arguitione (9)

Bernardus, *super Cantica*:

Inhumane eorum redarguis opera,
quorum onera refugis: temerarie objurgat
virum de praelio revertentem mulier nens
in domo.

Inhumane nempe eorum redarguis opera,
quorum onera refugis. Temerarie obiurgat
virum de proelio revertentem mulier nens
in domo.
